**Our mission is to build a complete, accessible fitness ecosystem that supports every individual and professional in the industry by connecting training, recovery, nutrition, and lifestyle in one seamless platform, empowering healthier, stronger, and more informed fitness journeys.**

**Vision**

**To create a global community of fitness where health support, trusted expertise, and quality services can be accessed by all, anywhere and anytime, with the vision that fitness will no longer be a chore but a supported journey.**

# Concept

FitUp is built on the premise that fitness isn't one product, one place, or one person—it's an entire lifestyle ecosystem. Although the industry is scattered across multiple apps, gyms, stores, and professionals, FitUp unites everything into one integrated platform that supports every step of a user's wellness journey. From training and coaching to physiotherapy, supplements, activewear, and gym memberships, FitUp creates a frictionless, all-access experience for both users and providers. It empowers growth for individuals physically and mentally, while offering professionals and brands the possibility to connect, collaborate, and scale. FitUp is more than a platform—it is a supporting fitness universe in which each need, goal, and stage is catered for, enabling people to level up smarter, not just harder.

## **We Say**

**"Automate routine tasks and focus on your members"**

## **We Don't Say**

**"You're losing money without our platform"**

*Used for: Business communications, provider dashboard, analytics reports, B2B marketing, gym owner resources*

*Style: Clear, data-driven, solution-focused, efficient*

*Purpose: Demonstrate value and ROI for fitness professionals while maintaining approachability*

# Inclusive & Community-Driven

*"Fitness isn't one-size-fits-all, and neither is FitUp. Whether you're just starting out or training for your next competition, you'll find your place here. Your goals, your pace, your community."*

## **We Say**

**"Progress looks different for everyone"**

## **We Don't Say**

**Assuming everyone wants to lose weight**

*Used for: Community features, diversity messaging, accessibility content, member stories, group challenges*

*Style: Warm, welcoming, authentic, human-centered*

*Purpose: Create belonging and show that fitness is for everyone, regardless of starting point*

LOGO

The background features a dark gray field with several white geometric shapes, including long diagonal bars and triangular sections. A prominent orange rounded rectangle is centered horizontally, containing the text "Logo Concept" in white. 

# Logo Concept

The Fit Up logo combines strength and simplicity to reflect the energetic, motivational spirit of the brand. The inbuilt bold barbell in the letter T symbolizes fitness, progress, and resilience, while the clean, rounded typography portrays approachability and balance. The soft peach color introduces warmth and positivity, representative of motivation and self-care rather than aggression. Together, these elements create a visual identity aimed at inspiring confidence, encouraging movement, and celebrating personal growth-perfectly embodying the 'Fit Up' mission of empowering individuals to lift themselves higher, both physical-

Full Logo

The FitUp logo revolves around the barbell, a timeless symbol of strength, dedication, and progress in fitness. The bold, balanced design represents our commitment to supporting every part of your fitness journey—from the first rep to the hundredth.

The lively orange-red color brings energy and warmth, making fitness feel both approachable and thrilling. The clean, geometric form reflects the simplicity and reliability found in our platform: powerful tools to work as hard as you do.

This mark is more than a gym or an app—it's the symbol of a whole ecosystem in which coaches, gyms, members, and fitness enthusiasts grow stronger.

Logo type

The FitUp logotype is the text-only version of our brand mark. Use it when space is limited, in text-heavy layouts, or when a streamlined mark is needed. It maintains the same bold, energetic personality as the full logo.

The image shows the 'FitUp' logotype, which consists of the words 'FIT' and 'UP' in a bold, sans-serif font. The letter 'T' is a solid orange color, while the letters 'FI', 'UP', and the horizontal bar of the 'T' are white. The logotype is centered within a white dashed grid on a dark gray background.

Logo Emblem

The FitUp emblem is the standalone barbell icon without text. Use it for app icons, social media avatars, favicons, or small-scale applications where the full logo won't be legible.

The emblem works as an instant visual identifier once brand recognition is established.

# Logo guidelines

The background features a dark gray field with several thick, bright orange geometric shapes. A long diagonal bar runs from the bottom left towards the top right. In the bottom left corner, there is a cluster of three parallel orange lines slanted at a steep angle. In the top right corner, there is another cluster of three parallel orange lines, also slanted, but in the opposite direction to the ones in the bottom left.

**The FitUp logo has been carefully designed with proportion and thought and should never be altered in any way. These examples illustrate how NOT to use the logo, although they are only some examples and not all the cases.**

Stretch, distort, or alter the logo proportions

Change the logo color or apply gradients

Place the logo on busy or low-contrast backgrounds

Rotate the logo at any angle

Use The logo smaller than the minimum size

Add effects like shadows, outline or glow

# Colors

**Color Rational**

**The FitUp color palette embodies energy and approachability. Our signature orange (#F9684B) is vibrant and warm—evoking motivation, enthusiasm, and the intensity of a great workout. It's bold enough to stand out, yet welcoming enough to make fitness feel accessible to everyone.**

The background features a dark gray field with several white geometric shapes, including long diagonal bars and triangular sections. A prominent orange rounded rectangle is centered horizontally, containing the text.

The background features a dark gray field with several white geometric shapes, including long diagonal bars and triangular sections. A prominent orange rounded rectangle is centered horizontally, containing the text "Color Pairings" in white.

# Color Pairings

**Consistent color pairing ensures FitUp maintains a cohesive, recognizable identity across all platforms—from app interfaces to marketing materials. It reinforces brand recognition and creates a seamless user experience. Use orange on white for primary branding and high-visibility elements like CTAs. White on orange works best for reversed logos and text overlays. Orange accents on white backgrounds are perfect for icons, highlights, and interactive elements—creating visual hierarchy while maintaining clean, readable designs. White provides balance and clarity, symbolizing simplicity and transparency. Together, these colors create a fresh, modern aesthetic that's both powerful and inviting.**

# Iconography

**Icons are essential visual elements that enhance usability and reinforce the FitUp brand. Our icon system is clean, modern, and designed to communicate quickly across all platforms.**

# Style Characteristics

Outline style with consistent 3px stroke weight  
Rounded corners (4px radius) for a friendly, approachable feel  
Geometric and minimal - simple shapes that scale well  
Balanced proportions - icons should feel stable and centered

# Patterns & Texture

The background features a dark gray field with several thick, parallel orange diagonal stripes. These stripes are oriented from the bottom-left towards the top-right. Some stripes are solid orange, while others are composed of multiple closely spaced parallel lines, creating a textured or striped effect. The stripes vary in width and length, with some extending across the entire width of the image and others being more localized.

The FitUp pattern expresses the rhythm of training, tracking, and transformation. Built from simple, structured bar shapes derived from the logo, the design symbolizes sets, reps, and continuous improvement — the core of every fitness journey. This pattern reinforces our digital fitness ecosystem
